To Whom It May Concern,

This is to certify that **Mr. Premakumara H.P.S** was employed at Consulting Engineers & Contractors (Pvt) Ltd as a Trainee Materials Engineer from **December 6, 2024, to May 22, 2025**, for the Rehabilitation, Improvement, and Maintenance of 60 km of rural roads in the Colombo District under the Road Development Authority.

During this period, he engaged in various construction material-related activities including material testing, quality control, and site inspections. His responsibilities included assisting in laboratory and field testing of materials such as soil, aggregates, asphalt, and concrete in accordance with standard procedures. He also supported documentation, reporting of test results, and ensuring compliance with project specifications and quality standards.

Mr. Premakumara demonstrated a good understanding of engineering principles, showed dedication to his duties, and maintained a professional attitude throughout his training period. He was punctual, hardworking, and capable of working both independently and as part of a team.

We wish him all the best in his future endeavors.

Yours faithfully,

S.T.R. Senevirathne
